And if you want to use our wonderful ornament clips (shown above), then we even have that included in our product kits! Here is some information about our clip art and ornament clips (photos are from our product kits): Ornament Clips: As you'll notice, our ornament clips are made of a durable plastic that's coated with a non-toxic, safe paint that won't smear or stain clothing or wrapping paper. The clips are sized to fit a variety of ornaments, from small and simple to medium and more complex. Each set of ornament clips includes one clip for a red ornament and one for a green ornament. With clip art, you can design your own Christmas ornaments, and have them hanging in your house or on your tree until Christmas! Don't have the time or desire to design your own? No worries!
