3 A: You are mistaken on my part, I didn't misread anything, but I think your reading of my answer (implication that I can't recall the exact answer) was wrong. 1) A G.C.E.O. is a Global Chairman. G.C.E.O. is short for Global Chairman and CEO. 2) I know in English the C.E.O. is CEO but we use the same word G.C.E.O. for CEO when translated into another language. #include "ScrollBar.h"
