It is the second expansion for the Critical Role RPG series, and the first to contain rules for the races from the Eldritch Dark campaign. Critical Role: Tal'Dorei Campaign Setting is the second campaign setting released for the Critical Role RPG. The setting takes place in a fantasy world called Tal'Dorei in which a group of adventurers work to save their home continent from the forces of another world, the Middarmark, by recruiting humans, dwarves, elves, gnomes, halflings, and even drow to fight against the other empire. The setting includes new races and classes, as well as new creatures, including an illusionist gnome and a vampiric drow. The main campaign setting features new guidelines for building a campaign set on a specifically Tal'Dorei map, as well as additional locations and cities to travel to, such as Tequindi and Lemishén, and rules for new monsters. The setting has been designed to be easily integrated into campaigns running in the Critical Role RPG. Sep 5, 2019 Tequindi, the otherworldly city of the Tal'dorei, is expanding. Sep 4, 2019 Tequindi is adding a ghostly prison. Sep 5, 2019 Lemishén is adding new missions. Aug 23, 2019 Two new characters were added to the Tal'dorei campaign!
