The film was produced by Aniruddha Roy Chowdhury under the banner of Chutney Films and was directed by Vijay Bhatt. It's loosely based on a mythological story of Balarama from the Indian epic Mahabharata, who is known as Krishna in this movie. Daud was released on 25 January 1997. Balarama was born in Dvaraka, the capital city of Krishna's kingdom, to Lord Krishna and Rukmini. Balarama's paternal grandfather, Bhallaladeva, was an incarnation of the Hindu god Vishnu. As a child, Balarama witnessed his mother killed by an angered king who wrongly believed that Krishna is the son of his queen. Balarama went on to kill the king, but was unsuccessful. In order to save his mother's life, Balarama was compelled to take on the name "Daud" meaning "he who is deaf" since the king was blind. Daud was also the name of Krishna's uncle (brother of Balarama). Rukmini asked Lord Krishna for forgiveness, and Lord Krishna agreed on it. However, the story states that Balarama went to the court of his father, and told him the events that happened and asks him to not judge the world. Lord Krishna also forgave the world and asked Balarama to take the name of Balarama, which means one who is not angry.
