Instant Marshmallow Creme with sprinkles With the Thanksgiving holiday just around the corner, I want to do something a little different from my usual cereal or toast this year. So I got an idea from my brother and sisters to do some baking, marshmallows in the oven. I have no idea where I got this recipe from, but it was a winner. My kid loved them, and after learning about the science behind marshmallows, I might make these again when I get more of the ingredients on hand. Instant Marshmallow Creme by MAMAJAMMA.COM 2 cups cornstarch 6 cups water 2 sticks butter 3/4 cup sugar 2 teaspoons of salt 1 teaspoon vanilla 1/4 cup brown sugar 1/4 cup light corn syrup 1 teaspoon pure vanilla extract Mascarpone cheese Gel sprinkles You will need:

1. In a medium saucepan, whisk the cornstarch into the water until the cornstarch is dissolved.
2. Turn the heat to medium. Add the butter, sugar, and salt. Whisk until the mixture comes to a boil and starts to thicken, about 5 minutes.
3. Remove from the heat and add the vanilla and brown sugar.
4. Pour into a bowl, cover, and put in the fridge for 10 minutes.
5. Add the corn syrup and the vanilla extract. Put plastic wrap on the top and keep in the fridge for 30 minutes to 1 hour.
6. Remove from the fridge and whisk again. The mixture will thicken more.
7. Serve with mascarpone and sprinkles. Enjoy!

FiberFeast So the kids have been spreading the word about this, and I'm sure I will be getting a load of requests for more recipes. In the meantime, here are some Instant Marshmallow Creme options:
