The US has been going in the wrong direction for years now, if we are going to beat the commies, it's time to put our beliefs first. I just hope for my son's sake, America is only 50 years old, and when he gets older, I hope he recognizes what we've done, what we've become, and we're able to put this country back on track. Funny how everyone who is no longer able to use the bathroom or shower, holds it against the entire medical team. Now that I'm finally caught up on my posts, I wanted to point out a few things about Obamacare from someone who has been following the progress of this law for years now. Read the bill! In case you have not seen it, there are 2 parts to the bill, The individual mandate and the exchanges. I will explain the individual mandate first. The 55cdc1ed1c
