

Moving Forward – New Ways to Score in FIFA 22 After an exciting season of FIFA Ultimate Team, FIFA 22 continues the evolution of FIFA Ultimate Team (FUT) gameplay through exciting new ways to play, take on opponents and create the ultimate fantasy team. Before you get started, make sure to check the FIFA Ultimate Team Career Mode Playlist on EA Sports' YouTube channel. In FUT: Ultimate Team, FIFA 22, you'll find a live feed of the best players in the world. With your favorite football stars now in the game, it's easy to connect your real-life and fictional team on your own turf. In FIFA 22, you can bring the magic to your home turf by creating a real-life, fantasy league of clubs in individual or team competitions, complete with all-new fantasy competitions, such as, FUT Champions, FUT Pro Clubs, FUT Draft and FUT Challenges. You'll also have the flexibility to create your own custom leagues in FIFA Ultimate Team thanks to the new Player & Club Editor, which lets you build your fantasy team using players you own and create custom stadiums, kits and logos. In FIFA 22, you can build your favorite club from real-world players and create your own storylines and challenges. A new set of Live Events also available throughout the year during the preseason and the in-game through-the-season offer new challenges and rewards. Taking Real-Life Tactics to the Next Level, Off the Field With The Ultimate Team Live Events Live Events are designed to turn real-life teams into FIFA 22 fantasy teams. FIFA World Cup Take on the World! The FIFA World Cup is now available throughout the season, with the ultimate goal being to see your fantasy team progress through the qualifying stages all the way to the final. You can bet on the game like a pro, set and forget about it or make it an all-hands-on-deck tournament. As the tournament progresses, new rewards and challenges will be unlocked. In addition to the FIFA World Cup, FIFA World Cup qualifiers are also live throughout the season. Mute, Seamless Controls, Improved Game Engine, New Player & Club Editor For the most intense football matches, FIFA 22 players have the most advanced game engine in a sports game. FIFA 2K20 Improvements In An All-New Edition

Features Key:

- **Live the dream:** Have you always dreamed of becoming a pro? Live it as a real player, enjoying the height of your career in FIFA 22 with a more immersive Player Career mode. Create and manage your own football club from the very beginning, then choose your style of play and goals you want to achieve. Your virtual Pro will grow, improve, add new skills and collect player cards which affect your playing style. Create your own unique player with Bizarre Creations' Skins studio. Available for Xbox One, PlayStation 4 and PC.
- **Use all your skills:** An all-new skill balance system allows you to perform more realistic moves with less player input. Players make more on-ball decisions and are more decisive in their approach, while the revised Dribbling system will help you finish and cross your rivals off the dribble.
- **Realistic gameplay :** Reduce mistakes and come closer to perfection. The ball is more realistic and feels much more dynamic. The player's control of the ball comes through realistic roll and spin kicks and turns. React faster to changing situations with the right pitch awareness. Make fast decisions to earn more valuable Free Kicks, or utilize Gameball Zones to your advantage.
- **No more pitch invader :** One of the toughest challenges to the FIFA player has been away from the pitch. How will you defend your club if the entire opposing team is in your half of the pitch? Can you eliminate goals in time or forever be the man down? With the introduction of Goal Relay, your defending teammates can work together to survive the heat of the battle. And with the most realistic system to simulate deflection shots, you can now create the most thrilling set-pieces in EA SPORTS FIFA 22. Enjoy the full pitch and remove the pitch invader, wherever you might be!
- **Real Player Reaction :** Authentic player reactions such as celebration or the time-stop will come to life as the player makes passes, dribbles and moves over pitch or crosses and shoots to the net. Happy faces or bewildered looks lets you know how a player feels upon performing a shot, tackle or run. Improved animations ensure there are no positions
