HOW TO : 1) Click on the download button! 2) Select your package file Download button and click it! Your game will start downloading automatically!. Assassin's Creed II: Festival of Fire. 0: Yii2 yii\web\Request::isAjax() always return true, yii2 security I'm new to yii2. I'm trying to return a json file but i can't return anything it always return null and the response. I have tried with \$response = new Response(); \$response->json(['error' => true, 'msg' => 'not available']); \$response->end(); and \$response = new Response(); \$response->statusCode(404); \$response->json(['error' => true, 'msg' => 'not available']); \$response->end(); My code public function actionProfile() { \$model = Profile::find()->where(['id' => 1])->one(); \$request = Yii::\$app->request; if(\$request->isAjax()) { \$response = new Response(); \$response->json(['error' => true, 'msg' => 'not available']); \$response->end();
